CASES

MOTION CALENDAR

4. **Case 2015-006**
Clark County School District v. Clark County Education Association and Teachers Health Trust
Upon motion, the Board granted Respondent Teachers Health Trust's Motion to Dismiss, claiming that the THT had no duty to bargain with the school district, since it was not the exclusive bargaining agent, and therefore could not have bargained in bad faith.

CALENDAR FOR MISCELLANEOUS MATTERS RELATED TO CASES

5. **Case A1-046068**
Elko County Employees Association v. Elko County
The Board tabled further consideration of this item until the next meeting.
6. **Case 2015-011**
SEIU, Local 1107 v. Clark County
Upon motion, the Board elected to treat this case as a prohibited practices complaint and not as a Petition for Declaratory Order. It also postponed consideration as to whether to hear the case until its August 18-20 meeting.

GENERAL AGENCY MATTERS

7. **Report of the Deputy Attorney General**
Deputy Attorney General Davis gave an oral report discussing the Petition for Writ of Prohibition filed by the Education Support Employees Association, which concerns the upcoming election between that employee organization and Teamsters Local 14. Mr. Davis stated that the judge has not yet rendered a decision on the petition.
8. **Reports by the Commissioner**
A. **Status of the Second Runoff Election Between ESEA and Teamsters 14**
Commissioner Snyder reported that he is awaiting final approval of the budget authority for the election, which is expected shortly. He also advised the Board that it appears best to use a ballroom at the East Las Vegas Community Center, which is operated by the City of Las Vegas, for counting the ballots. He also stated he recommended moving the date for counting the ballots from Saturday, December 5th to Tuesday, December 8th, as both the post office opens earlier on a weekday and the community center is open longer hours on weekdays as compared to weekends. However, after hearing concerns

expressed by Scott Greenberg of the Clark County School District, the Board agreed the Commissioner should instead find a weekday during the school's Winter Break and hold the counting of the ballots on such a date. Commissioner Snyder stated he will present an Amended Election Plan at the next Board meeting, including a recommendation on the outstanding issue involving the campaigning on school property by non-local government employees.

CLOSING MATTERS

9. **Additional Period of Public Comment**
No public comment was offered.
